The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**DEPARTMENT OF PUBLIC WORKS: AWARD OF PUBLIC WORKS  
CONSTRUCTION CONTRACT  
CITRUS AVENUE, ET AL.  
CITY OF AZUSA AND IN THE UNINCORPORATED  
COMMUNITY BETWEEN AZUSA AND GLENDORA  
(SUPERVISORIAL DISTRICTS 1 AND 5)  
(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

Award and authorize the Director of Public Works or his designee to prepare the construction contract in the form previously approved by County Counsel, execute the contract, and establish the effective date following receipt of approved Faithful Performance and Labor and Material bonds filed by the contractor for the following:

- Project ID No. RDC0013918 - Citrus Avenue, et al., for the resurfacing of existing roadway pavement; construction of sidewalk, curb and gutter, curb ramps, and bus pads; and installation of striping and pavement markings, City of Azusa and in the unincorporated community between Azusa and Glendora (1 and 5), to All American Asphalt, in amount of \$593,000.00.

Board of Supervisors  
**GLORIA MOLINA**  
First District

**YVONNE B. BURKE**  
Second District

**ZEV YAROSLAVSKY**  
Third District

**DON KNABE**  
Fourth District

**MICHAEL D. ANTONOVICH**  
Fifth District

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to obtain your Board's approval to award this construction contract and authorize the Director of Public Works or his designee to execute the contract and establish the effective contract date following receipt of approved bonds and insurance filed by the contractor for this project.

The attachment includes the project description, the call for bids and bid opening date, a tabulation of bids, and financial information. The certified record of receipt of bids and the original bid proposal are also attached including an addendum to the contract specifications for this project.

The recommended construction contract is necessary to execute Board-directed and approved Department of Public Works projects in support of operational missions. Your Board's approval of the recommended contract award and the subsequent execution of the contract will ensure the timely completion of the project.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs that we provide Service Excellence (Goal 1) and Community Services (Goal 6). Awarding this contract will provide improved infrastructure to better serve the public and will enhance the quality of life in the affected communities.

### **FISCAL IMPACT/FINANCING**

The recommended contract amount of \$593,000.00 will have no impact to the County General Fund.

The attachment includes the amount of the recommended contract as compared with the engineer's estimate and the other bids received.

This project is included in the Fiscal Year 2007-08 Proposition C Local Return Fund and Road Fund Budgets. The attachment includes more detailed fiscal and financial information.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Recommended contract awards are to the lowest responsible bidders in accordance with the California Public Contract Code and your Board's directives.

On October 27, 1981, your Board adopted a program for the use of small Minority and Women-owned Businesses (MWBs) on Federal- and State-funded highway construction contracts. Companies meeting these requirements are certified by the State as Disadvantaged Business Enterprises (DBEs). Contracts are recommended for award to the lowest responsible bidder who meets the goal or documents a good faith effort to do so in conformance with the program.

The Department of Public Works has also developed an outreach program to encourage all qualified contractors to participate in the bidding and contracting process on their projects. Under this program, notices of upcoming bids are placed in local and minority newspapers throughout the County. These notices indicate that copies of plans and specifications are available at specified libraries and the Department of Public Works. This allows interested contractors to view the plans and specifications at convenient locations. They also provide telephone numbers (including one for Spanish-speaking contractors) to obtain further information on bidding and subcontracting opportunities.

To further increase contractor awareness of contracting opportunities with the Department of Public Works, each of these projects was listed on the County website for upcoming bids.

The State Labor Code requires contractors to pay prevailing wage rates to all persons employed on public works construction contracts. These rates are determined by the Department of Industrial Relations and include contributions for fringe benefits such as vacations, pension funds, training, and health plans for each employee.

As required by your Board, language has been incorporated into the project specifications stating that the contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws.

The contract will be in the form previously approved by County Counsel. The Department of Public Works will also review and approve the faithful performance and payment bonds filed by the contractor.

#### **ENVIRONMENTAL DOCUMENTATION**

This project was found to be categorically exempt from the provisions of the California Environmental Quality Act at the time your Board called for bids. The specifics of this finding are included in the attachment.

### **CONTRACTING PROCESS**

The contract was solicited on an open competitive basis in accordance with the provisions of the Public Contract Code.

The project specifications contain provisions requiring the contractor to report solicitations of improper consideration by County employees and allowing the County to terminate the contract if it is found that the contractor offered or gave improper consideration to County employees.

The Department of Public Works has confirmed that the respective contractor is in compliance with the County's Child Support Compliance Program and the requirements of the Contractor Employee Jury Service Program. In addition, the contracts will include language requiring compliance with the Newborn Abandonment Law (Safely Surrendered Baby Law).

The project specifications also contain a provision that, should the contractor require additional or replacement personnel to fill employment openings, consideration shall be given to hiring qualified participants in the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs.

To ensure that the contract is awarded to a responsible contractor with a satisfactory performance history, bidders are required to report False Claims Act violations, labor law/payroll violations, debarments, their civil litigation history, and information regarding prior criminal convictions. The information reported by the contractor was considered before making this recommendation to approve execution of the contract.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

This construction contract will result in improved public works infrastructure in the communities where the work is scheduled.

A portion of this project is within the City of Azusa. The City of Azusa will finance its jurisdictional share of the project costs under a Service Request. This project will be administered under the Federal Surface Transportation Program (STP) covered by Agreement No. 71078 with the State of California. Under this program, Federal-aid funds allocated to local agencies are used to reimburse a portion of the cost of the road improvement projects. We are also seeking a Rubberized Asphalt Concrete grant from the California Integrated Waste Management Board to be used toward the cost of the pavement work.

This project is included in the Fiscal Year 2007-08 Proposition C Local Return Fund and Road Fund Budgets.

There will be no impact to the County General Fund.

MINORITY/WOMEN-OWNED BUSINESS ENTERPRISE DATA:

All American Asphalt has one MWBE subcontractor/supplier under this contract, yielding a MWBE participation of 3.4 percent. There are no DBE subcontractors/suppliers.

ENVIRONMENTAL IMPACT:

On September 11, 2007, Agenda Item 31, your Board found this project categorically exempt.

CONSTRUCTION SCHEDULE:

The contract specifications require the work to be completed in 50 working days. It is estimated the work will start in January and be completed in March 2008.
